1 - Note in the UK the Ground floor is floor 0. All basement rooms have full sized windows and good daylight.

2 - A cluster flat is a number of rooms between 2-17 and the residents share kitchens and bathrooms. Communal rooms have are long corridors of rooms and kitchens are shared with many and are not on every floor but there are numerous bathroom blocks on every floor.

3 - A small double bed is 120cm x 190cm and a double bed is 137cm x 190cm

4 - Ensuite rooms and studios have a separate private bathroom which includes a basin in addition to a shower and WC.
